# **1981 FALCON SAINT AUGUSTINE'S COLLEGE RALEIGH, NORTH CAROLINA**

## **The Historic Saint Augustine's College Chapel**

On July 15, 1895 the cornerstone of the Chapel was laid. The stone for the foundation and the north transept was taken from the grove near the spring on Saint Augustine's ground. On Christmas Day 1895, the first service was held in the structure and daily services began on Quinquagesima Sunday 1896. The north transept, erected in 1904, was built by students from the Masonary Class of the College.

A Lich-Gate or Lych-Gate was dedicated at the entrance walk leading to the Chapel in 1903. The Lich-Gate, the entrance to the sacred precinct, was a roof to shelter the rood (cross) which was placed above the gateway to mark the boundary of consecrated ground.

The Saint Augustine's College Chapel has been named an Historic Site by The Wake Historic Sites Commission.

childhood remembrances are always a drag  
if you're Black  
you always remember things like living in Woodlawn  
with no inside toilet  
and if you become famous or something  
they never talk about how happy you were to have your mother  
all to yourself and  
how good the water felt when you got your bath from one of those  
big tubs that folk in Chicago barbecue in  
and somehow when you talk about home  
it never gets across how much you  
understood their feelings

as the whole family attended meetings about Hollydale  
and even though you remember  
your biographers never understand

your father's pain as he sells his stock  
and another dream goes

and though you're poor it isn't poverty that  
concerns you  
and though they fought a lot  
it isn't your father's drinking that makes any difference  
but only that everybody is together and you  
and your sister have happy birthdays and very good Christmases  
and I really hope no white person ever has cause to write about me  
because they never understand that Black love is Black wealth and  
they'll

probably talk about my hard childhood and never understand that  
all the while I was quite happy

The past ten years have been turbulent ones for the nation's traditionally Black Colleges and Universities. Under the keen leadership of our President, Dr. Prezell R. Robinson, Saint Augustine's College has remained steadfast in her determination to educate Black youth, and to instill within them their obligation to their people and to the world community.

During his administration Saint Augustine's has grown in stature and prominence. Dr. Robinson is dedicated to the founding principles of Saint Augustine's and he serves her with love and endurance. He has done much to instill within all of us a sense of "Family."

SAINT AUGUSTINE'S COLLEGE  
RALEIGH, NORTH CAROLINA 27611

Office of the President

December 5, 1980

Dear Graduates: No two occasions for the conveying of the formal farewell to the Senior Class are ever the same. I am pleased to send you this missive which I hope will serve a constructive purpose.

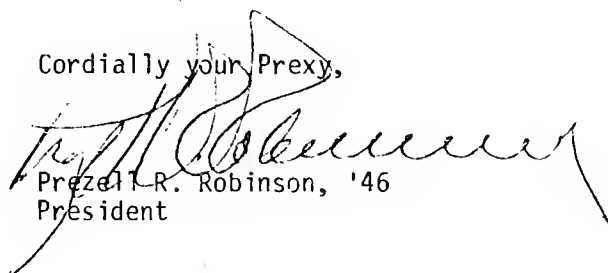

No one needs to remind you of the seriousness of this moment. Time would not allow me to set forward a sufficiently complete and intelligent presentation of the problems, challenges and uncertainties which await you as young people entering a society characterized by high unemployment, devastating inflation, and unsettling signals which suggest a retreat from the commitment to help those who are not so fortunate.

I wish so much that I could offer solutions to these great problems. However, great problems and challenges are ill-served by easy answers. I can say that I honestly believe that you shall be more than equal to whatever lies ahead, for as long as you hold to the principles and teachings which have been imparted over your lifetimes, the most important of which is a constant faith in the power of a Supreme Being who ultimately determines all of our destinies. Each experience in your past, whether it was happy or sad, successful or not, should constitute the foundation on which you will set your course to diligently serve others.

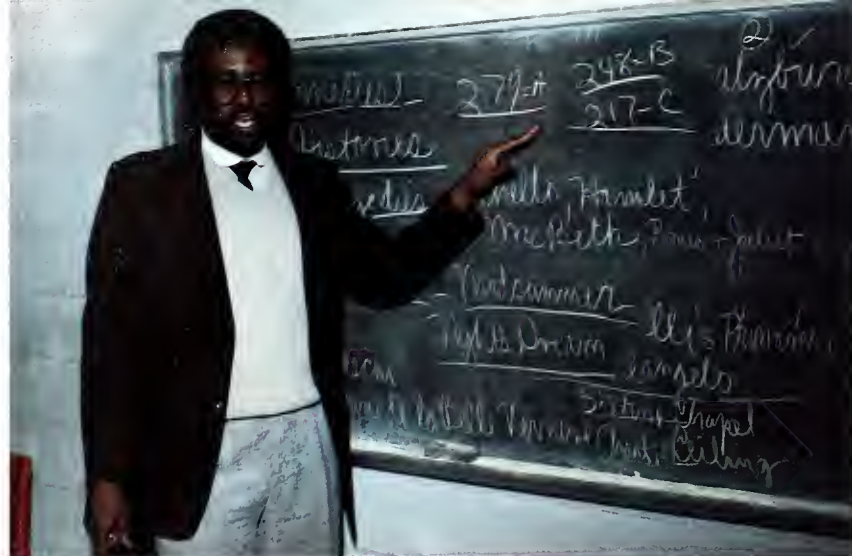

You join the ranks of thousands of other sons and Daughters of "The Aug" who have gone before you. Do your best to protect the good name of this great and proud institution, and I assure you, as a graduate myself, that it will never give you cause for shame.

On behalf of the entire Saint Augustine's Family, we bid you farewell, glad tidings, and a safe and prosperous journey.

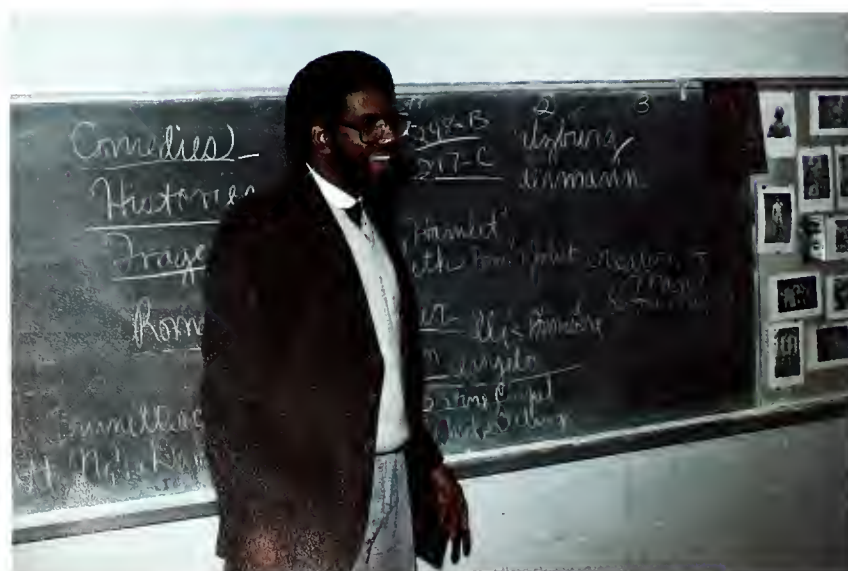

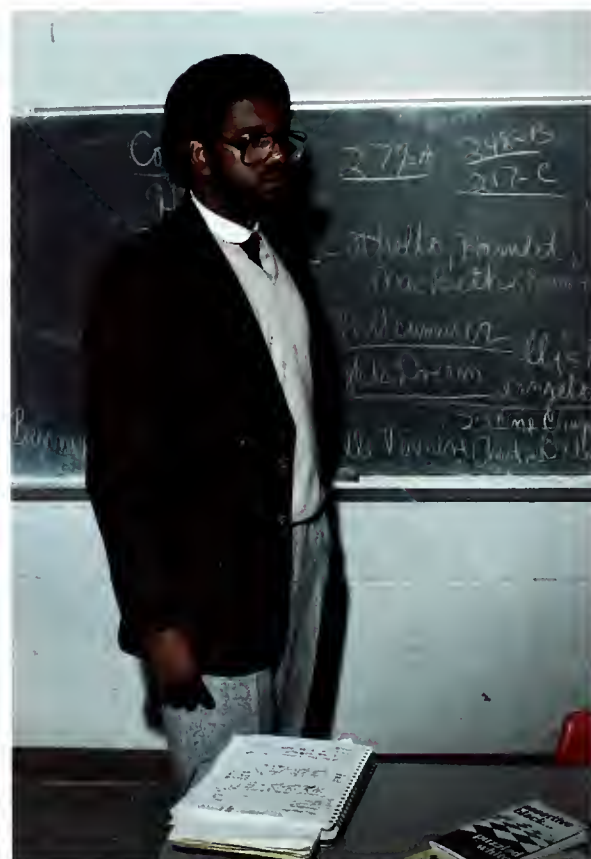

Cordially your Prexy,

Prezell R. Robinson, '46  
President

## DEDICATION

1981

He has impressed upon us the importance of learning and our responsibility to learn. Through his example we have been able to recommit ourselves to our heritage and to those yet to be born. We accept the challenges he has laid before us and, with appreciation and love, we dedicate the 1981 edition of the FALCON to

Mr. Forrest D. Toms

Department of Education

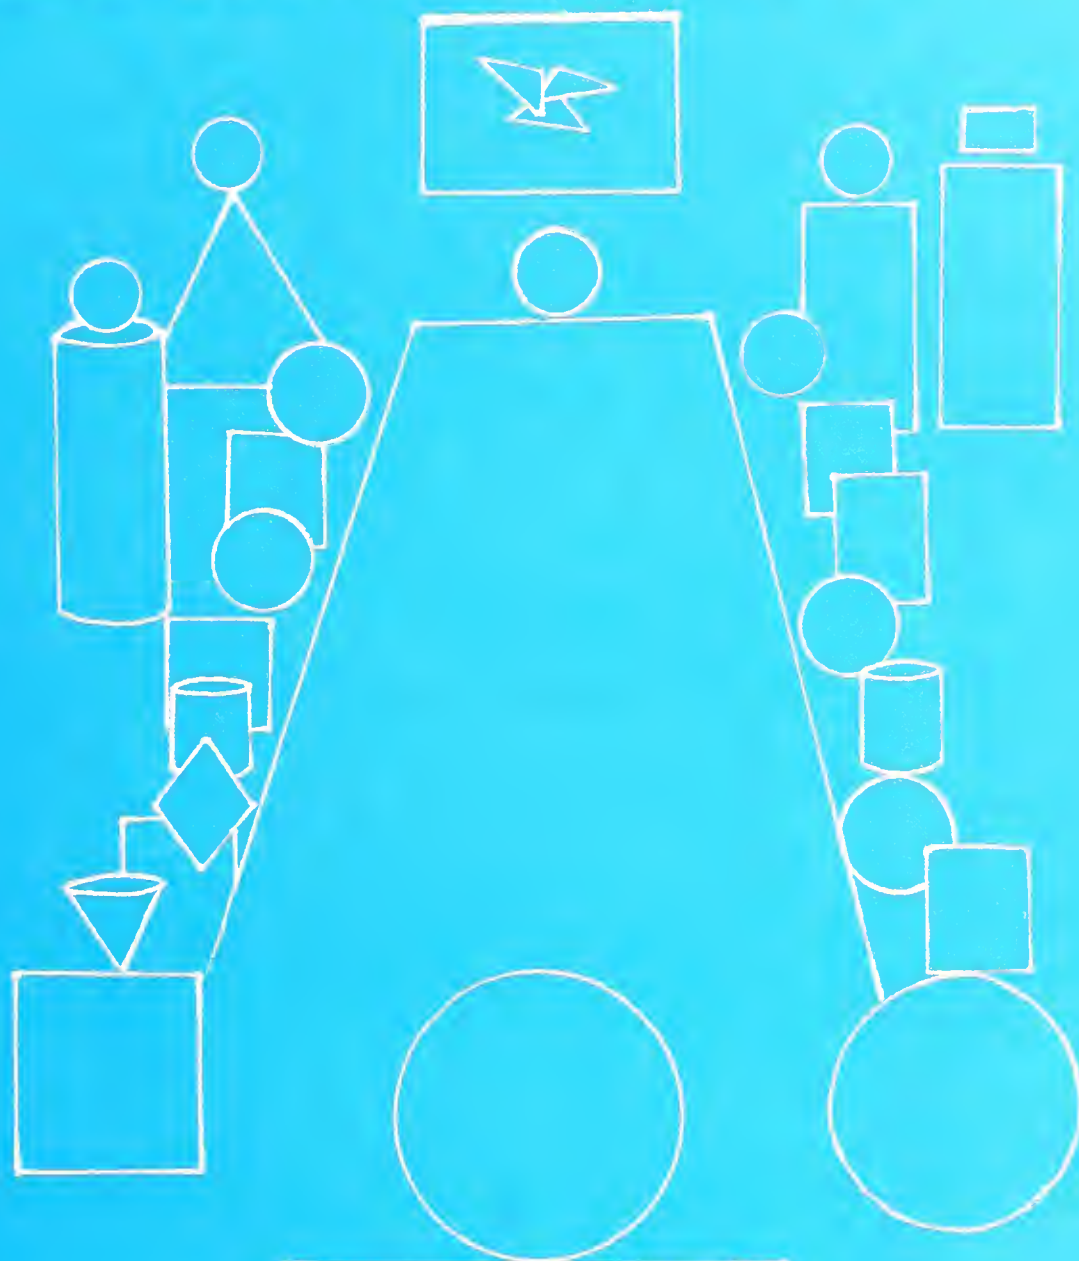

Those persons who serve Saint Augustine's as members of her Administration and Staff are diligent in their efforts and are unyielding in their willingness to support the College as we approach the 21st century. They are valuable members of the Saint Augustine's "Family."

The teacher in a Negro college has got to be something far more than a master of a branch of human knowledge. He has got to be able to impart his knowledge to human beings whose place in the world is today precarious and critical and the possibilities and advancement of that human being in the world where he is to live and earn a living is of just as much importance in the teaching process as the content of the knowledge taught. . . .

## THE COLLEGE CHOIR

MAKE joyful noise unto the Lord,  
all ye lands.

Serve the Lord with gladness: come before his presence  
with singing.

Know ye that the Lord he is God: it is he that hath made  
us, and not we ourselves; we are his people, and the sheep of  
his pasture.

Enter into his gates with thanksgiving, and into his courts  
with praise: be thankful unto him, and bless his name.

For the Lord is good; his mercy is everlasting; and his truth  
endureth to all generations.

PSALM 100

THAT WAS CLOSE!  
REMEMBER THE MESSAGE  
OF THE KING.  
LET'S GO TO SEE

THANK YOU MY BROTHER,

## ALPHA PHI ALPHA

Alpha Phi Alpha, the first Black Fraternity, was founded on the campus of Cornell University, Ithaca, New York, on December 4, 1906. The racial cleavage, characteristic of this period, had stimulated seven bold Black students to form a group for minority people to insure mutual helpfulness. These seven students are known to members of the fraternity as Jewels.

The Brothers of Gamma Psi are very active on campus. Through the year they sponser food and clothes drives, sickle cell awareness seminars, tutorial services, the Martin Luther King, Jr. Memorial Service, and several Brothers are active participants in Chapel services each Sunday.

# ALPHA KAPPA ALPHA

Alpha Kappa Alpha Sorority was founded on January 15, 1908, on the campus of Howard University. A group of young women were inspired by a fellow student and initiated the movement of Greek-letter sororities among Black women in America.

Gamma XI Chapter, chartered on March 26, 1949, has continued to work with the Cub Scouts, donate Cheer Baskets to needy families at Thanksgiving, and to assist teachers in local Day Care centers. They hold as their guiding light the motto: "Advancement through knowledge and achievement."

# THE FALCON STAFF

The 1981 edition of the Saint Augustine's FALCON has been completed, and now comes the time for quiet reflection and thanks. As Editor, I am indebted

to Collette Hill, our Assistant Editor, for her help in pulling the loose ends together;

to Gale Broadhurst for her willingness to learn and for working on **all** sections;

to Bettie Wilson, Myra McNeill, Vanessa Murrell, and Melissa Ashford for doing all that was necessary;

to Annika Warren, Abraham Damon, Cynthia Smalls, and Saletha Brown for a **beautiful** "Senior Section";

to Ivey Gee and Wilma Weems for making our "Queens" really look like Queens;

to Randy Downs for his artistic ability and the unique "Break Pages";

and to Miss Taylor, our Advisor, who believed in us and taught us to believe in ourselves.

I hope all of you will enjoy this Book as much as I enjoy presenting it to you. In years to come, look back on these days and feel **real** good—I know I will.
